How to: Reset/clear the stored password for TTUnet Wi-Fi in Windows 8

Notice

No one at Texas Tech University or from anywhere else should ask for your password.

Details

1) From the Desktop, single-click on the wireless icon in the Notification Area (bottom right corner of screen).

2) Right-click on **TTUnet** and choose **Forget this network**.

OUTCOME

You have successfully cleared any saved credentials for TTUnet. To connect to TTUnet again, follow the instructions. Next time you connect, you will be prompted for your username and password. For assistance connecting to TTUnet, follow the instructions **How to: Connect to the TTUnet wireless network in Windows 8**.
