How to: Connect to the TTU Res Halls wireless network in Windows 10

Solution

Click on the wireless network icon in the taskbar. Click TTU Res Halls > Connect. Type the password for TTU Res Halls. Then, click OK.

Details

1) Click on the network icon located at the bottom right-hand corner of your screen.

2) Click TTU Res Halls.
3) If you want your computer to automatically connect again to this network in the future, check the box next to "Connect automatically". Then, click **Connect**.
4) Type the **current password for the TTU Res Halls network**, and then click **OK**.
Your computer is now connected to the TTU Res Halls wireless network.
