Use of Texas Tech Information resources is subject to Texas Tech Operating Policies and other applicable laws. As a state higher education institution, Texas Tech is required by the State of Texas to notify you of the following: A) Unauthorized use is prohibited, B) Usage maybe subject to security testing and monitoring, C) Misuse is subject to criminal prosecution, and D) No expectation of privacy except as otherwise provided by applicable privacy laws (Texas Administrative Code, 202.75).

5) Click Done.

NOTE: You may also click Add Another Account to set up multiple accounts.
6) If prompted about allowing the server autodiscover-s.outlook.com or autodiscover.ttu.edu to configure your settings, check the box labeled "Always use my response for this server". Then, click Allow.
You will be able to send/receive email, access your calendar, contacts, tasks, notes, and other features using Outlook for Mac.
