

How To: Update your Android device to the latest version of Android

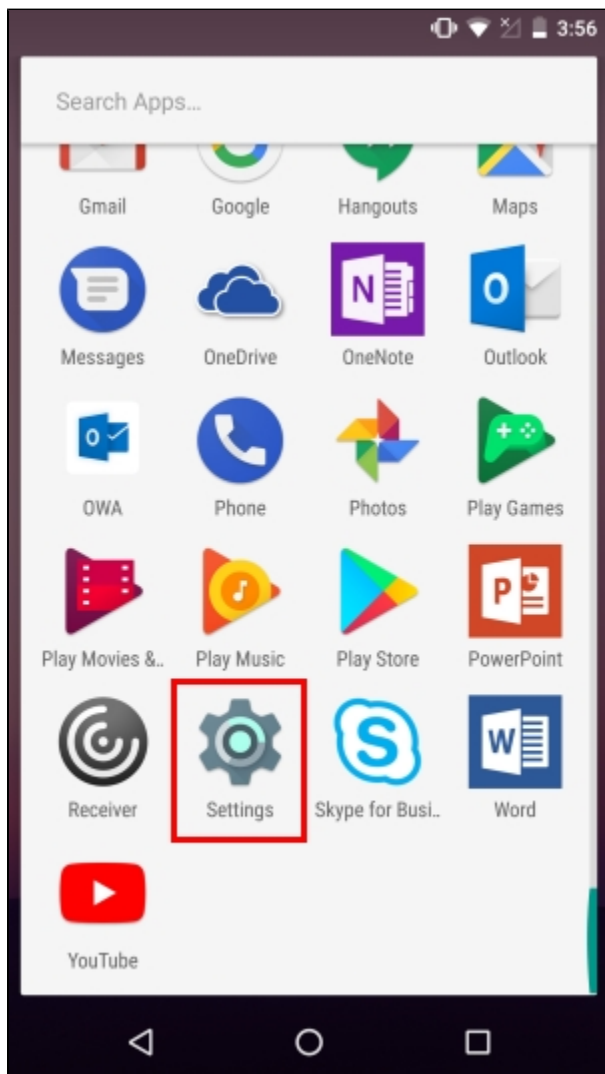

Solution

In the Settings app, tap **About phone** > **System updates** > **Download**. After the update is downloaded, tap **Restart now to install**.

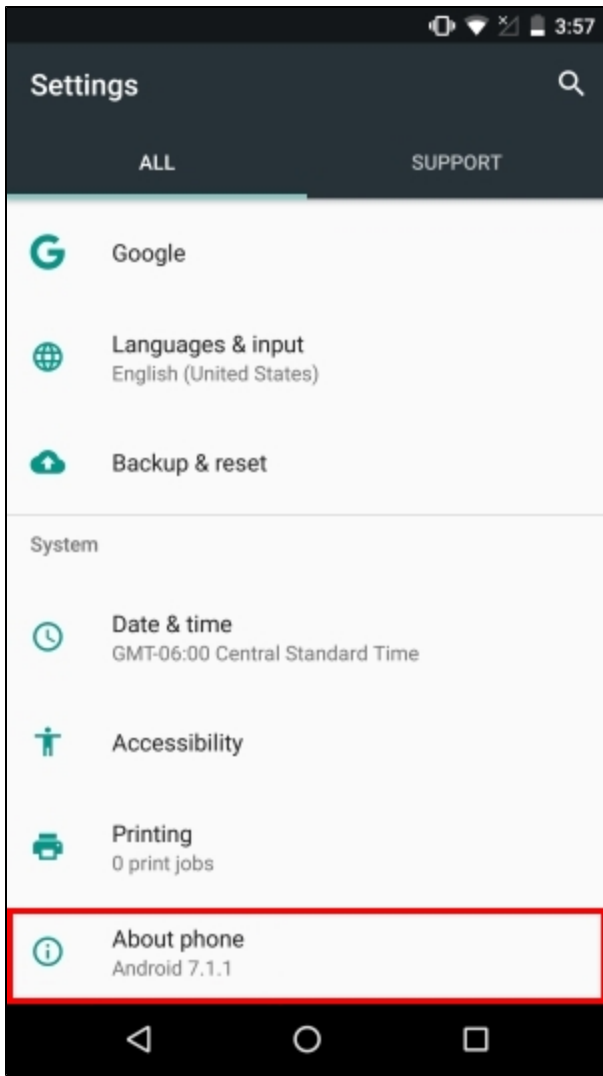

Details

 **NOTE:** Android is highly customizable and may look different depending on your manufacturer. The steps below may vary for different devices.

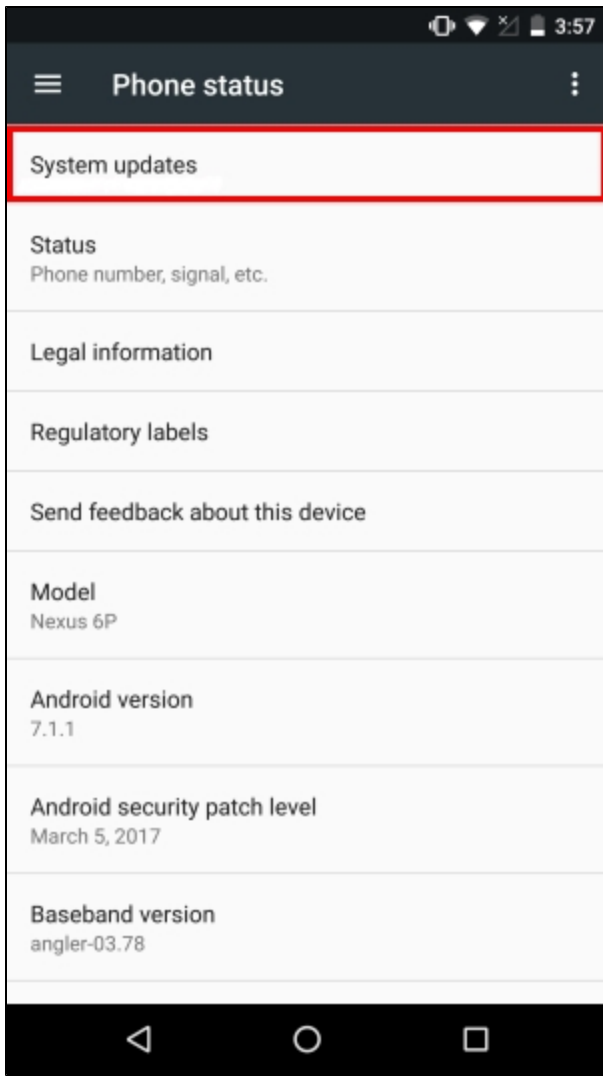

1) Open the Settings app.

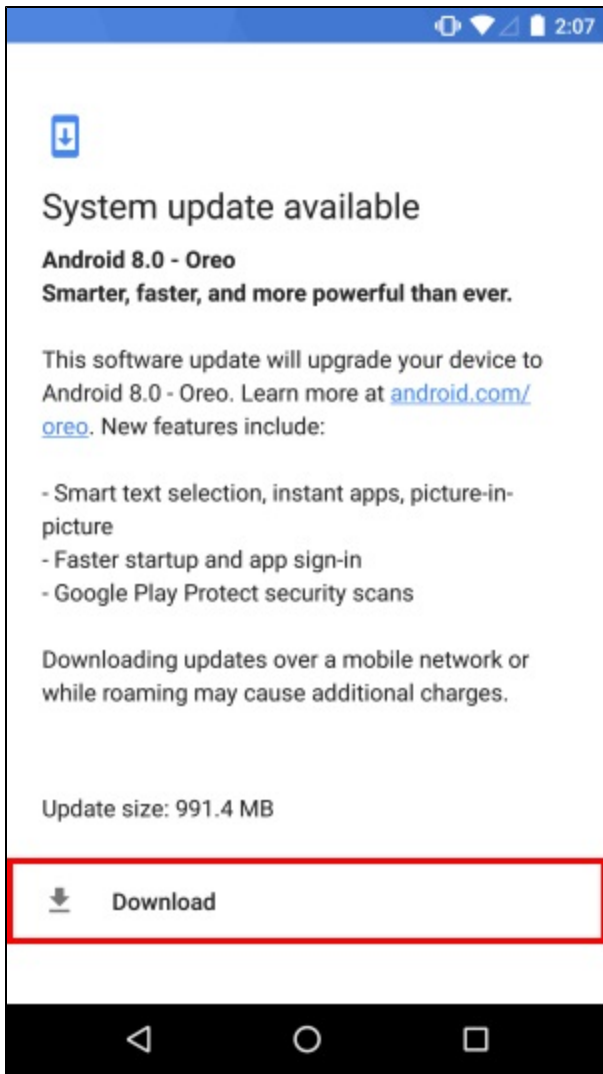

2) Tap **About phone**.

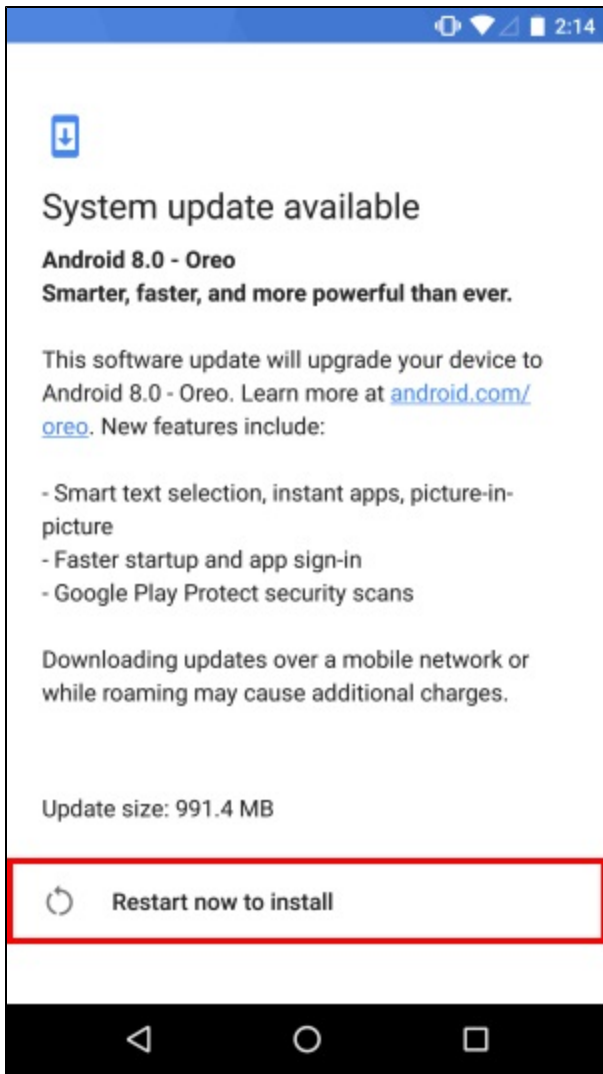

3) Tap **System updates**.

4) Tap Download.

5) After the update is downloaded, tap **Restart now to install**.

OUTCOME

Your device will be updated to the latest version of Android.
