How to: Update your eRaider password for TTUnet Wi-Fi in Android 7 Nougat

Solution

Tap **Settings** > **Wi-Fi** > **TTUnet** > **Forget**. Then, reconnect to the network using your current password.

Details

*NOTE: Android is highly customizable and may look different depending on your manufacturer. The steps below may vary for different devices.*

1) Tap **Settings**.

2) Under "Wireless & networks," tap **Wi-Fi**.
3) Tap TTUnet.
4) Tap **Forget**.

**OUTCOME**

Your old eRaider password will now be cleared out on your device for TTUnet. Refer to [How to: Connect to TTUnet Wi-Fi using Android 7 Nougat](#) to establish a new connection.
