How to: Connect to the eduroam wireless network in iOS

Solution

Open **Settings**, tap **Wi-Fi**, and then tap **EduRoam**. Type your full email address from your institution (e.g. jane.doe@university.edu) and the accompanying password. Then, tap **Join**. If prompted about a certificate, tap **Trust**.

Details

*NOTE:* The settings applied are specific to the Texas Tech University campus. If you are trying to connect to eduroam at another institution, you may have to contact the IT department of that institution for connection setting specifics.

1) Open the **Settings** app.

2) Tap **Wi-Fi**.
3) Tap **EduRoam**.
4) Type your institutional email address into the "Username" field, and type your associated password into the "Password" field. Then, tap Join.

5) If prompted about a certificate, tap Trust.
OUTCOME

Your iOS device is now connected to the eduroam wireless network.
