

General overview of Microsoft 365 Apps for enterprise

Details

Outlook

OneDrive

Word

Excel

PowerPoint

Microsoft Teams

Microsoft 365 Apps for enterprise gives TTUS and TTU faculty, staff, and students the latest versions of Word, Excel, PowerPoint, Outlook, OneNote, Publisher, Skype for Business, and Access, all available for download through [Office.com](https://www.office.com).

 **NOTE:** Microsoft has not made all apps available on all platforms at this time.

Microsoft 365 Apps for enterprise are available for PCs and Macs, or through the app store on your mobile device.

Licensing and download	<p>Each user can install Office on five PCs or Macs, five tablets, and five phones. (The licensing is not affected by whether the device is your personally owned device or whether it is owned by Texas Tech.)</p> <p>Install the latest version of Office 365 for Windows or Office 365 for Mac today!</p> <p>On mobile phones and tablets, visit https://www.office.com/mobile for links to download the latest apps for your device.</p>
Office on the web	<p>Create and edit Word, Excel, PowerPoint, and OneNote files via a web browser. Real-time co-authoring simplifies collaboration.</p>
File storage and sharing	<p>OneDrive for Business gives each user 1 TB of free personal cloud storage that can be accessed from anywhere. Easily share documents with others inside and outside your organization and control who can see and edit each file.</p>
